

ALEUT FACILITIES RECEIVES CONTRACT AWARD FROM US AIR FORCE SPACE COMMAND

ALEUT FACILITIES TO PROVIDE SERVICES TO NORAD NORTHCOM HEADQUARTERS

FOR IMMEDIATE RELEASE

COLORADO SPRINGS, CO (September 28, 2010) – Aleut Facilities Support Services, LLC (www.aleutfacilities.com) announced today that it received a contract award from the US Space Command at Peterson Air Force Base in Colorado Springs, Colorado.

Under the new contract, AFSS will provide operational and maintenance services to NORAD Northcom Headquarters, also known as Building 2, at Peterson Air Force Base. The work requires 24/7 operation of all electrical, mechanical, and standby generators that support mission-critical areas.

After two years of successful performance at Building 2, AFSS received the award for another two-and-a-half-year contract. Speaking of this contract award, Mario Cafiero, President/COO of Aleut Facilities Support Services said, “Aleut Facilities Support Services is honored to have earned the continued trust of the US Space Command for this mission-critical support requirement. We value our place on the Peterson Air Force Base team and look forward to continuing our role at NORAD Northcom Headquarters.”

Aleut Facilities Support Services, LLC is an 8(a), SBA company located in Colorado and subsidiary to Aleut Management Services, LLC in Colorado Springs, Colorado. Aleut is a family of companies with extensive reach-back capabilities providing IT, communications, base operations support, construction, and a range of services to government agencies.
